

COMETRY

laugh. learn.

Students are educated in diversity leadership via purposeful entertainment that demonstrates four values every great leader possesses. Our concepts are taught using the acronym G.R.A.V. Hilarious interactive exercises and comedic poetry are used to exemplify the benefits of growing from being outside of your comfort zone, learning about others, being open to others learning about you, and enhancing the ability and confidence of others in your community through validation.

Cometry blends clean observational stand up comedy that relates to all groups of people with insightful and engaging rhythmic poetry. It is contagious enthusiasm.

What is cometry?

Cometry is an exciting, energetic new art form that educates with clever, observational entertainment.

Every cometry piece or "coem" does a few things: tells a story, raises awareness, or delivers an inspirational message, all while making you laugh.

Hear it from others.

"We brought cometry back to the University of South Alabama because what you two do is amazing. The fusion of comedy and poetry is truly like nothing else I've seen in the market. Giving someone the opportunity to laugh, cry, and have their mind opened all in one show is truly special and I don't know of anyone else that could do it the way you two do. I will say it's something that has to be experienced.

We're excited that we can bring cometry back to South Alabama again (for the 3rd time)!"

Program Info

Most effective in a 60-70 minute format

All comedy is age appropriate for 7th grade and up

Workshops can be provided following the presentation

Cometry is a good fit for?
