

D and Chi Contract Rider

This rider is a part of the contract between _____ and _____
for his performance at _____ in _____, _____ on _____.

TECH & STAGING REQUIREMENTS

A sound system, PA, that is adequate for the performance space. Two vocal mics, a direct line and or one guitar mic, two boom stands, and one monitor. School should provide stage lighting capable of adequately covering the performance area. If you do a stage that's great, if not that's fine.

LODGING

School to provide one non-smoking double hotel room for the night of performance and/or the evening before, depending on time of performance. Workout facilities whenever possible at the hotel or on campus. If the school is not able to provide hotel, please add \$200 to payment.

LOAD-IN and LOAD-OUT / PERSONNEL

At least one person should be on hand to greet the artist at arrive time. A parking pass/space should be reserved and available near the performance venue from load in until after the conclusion of the performance and load out.

HOSPITALITY / WARM-UP ROOM

If possible, a private small room for tuning and vocal warm up that is close to performance area. It is extremely helpful if you can provide hot water and hot tea assortment. As you might know, the tea helps with their vocals when they have so many shows that are back to back. Also a few "room temperature" bottles of water.

MEALS

Meal arrangements should be coordinated in advance with Artist. adrien@chosenmusicians.com or 254-681-6128.

VENUE

Venue shall be non-smoking. Every effort should be made to have all televisions, video games, Internet terminals, juke boxes, pin ball machines, etc. turned off prior to, and remain off through the performance.
